## Quality. EFFICIENCY | Durable

We maximize your ROI by providing the longest warranty available in the industry. This stretches your capital equipment purchases further, while reducing the number of times you need to replace scales in your facilities. This can help provide a lower cost of ownership.

- Purpose-built professional medical scales
- Four year warranty
- Antimicrobial product protection

## Reliability. SAFETY | Ease of Use

Our wide-based, low-profile scales are safe and easy for your residents to stand on, whether they use a cane or walker. And our wheelchair scales can easily accommodate bariatric or large motorized wheelchairs for ultimate resident comfort. For staff, our innovative designs make our scales lighter and easier to transport. This helps reduce risk of staff injury.

- Flexible platforms to meet a variety of weight-gathering requirements
- Provides assured stability for residents
- Mitigates risk of caregiver strain and injury

## Accuracy. DEPENDABILITY | Precise

SR Instruments is an ISO 13485 registered company. Our integrated platforms, carefully matched load cells, and accurate digital readouts provide years of reliable weighing data.

- Certified calibration provides consistent performance
- Easy to read digital display: 0.1 lb or 0.1 kg display resolution
- Trustworthy measurements to monitor residents' health year after year

- 4 Year warranty
- Antimicrobial Product Protection
- KG-only versions available
- BMI calculation
- Memory Recall
- Risk free trial
